SOCIAL MEDIA AND TEXTING PLEDGE: 2018-2019

Currently, our lives are lived aloud on social media sites and on our cellphones and tablets. These various technologies bring about wonderful creation and make communication very easy. On the flipside, however, it can also be a terrific way to damage relationships and destroy programs.

PLEASE use self-control when commenting, liking, posting photos or texting. A poorly chosen phrase, photo or comment could cause a ripple effect that could lead to a very bad situation in class.

PLEASE follow these online guidelines:

1. Simply **DO NOT** respond or comment.
2. If you cannot or will not say it to their face, don't say it at all. Calm down; formulate a polite and respectful response: face to face.
3. Would I send this to my directors or parents?
4. Do not post photos of you around or near alcohol/drugs/drug paraphernalia of any kind (even family members with these items) at any time! The ECISD "Zero Tolerance" rules prohibit this type of action online.
5. Do not post, text or snapchat photos or descriptions of a sexual nature.
6. Once you hit send, it is out on the web or in your friend's device forever. Please act responsibly for the sake of the Permian Orchestra Program and for yourself & your family.

PLEDGE:

"I, _____, pledge to honor my classmates and my directors by not letting my online persona attack, abuse or bully ANY of my classmates at Permian High School AND/OR within the Permian Orchestra Program. I will not post crude, offensive material or photos on any online social media platform. I further understand that any violations of these guidelines will have lasting, if not permanent results. Furthermore, if I'm discovered posting inappropriate items, I will lose my membership in Satin Strings and the Permian Orchestra Program and I might lose my current status as a student at Permian High School."
